

The Downtown Sterling Historic District features 54 buildings which pay tribute to the culture and spirit of the community. Many of the buildings within the district have been adorned by murals, including atop the former Sterling Sheet Metal building on Fourth Street near Main Street. Take a stroll through Downtown Sterling and see the artistic renderings at the F.W. Woolworth's building, Quilts 'n Creations and Barb's Main Street Gifts and Baskets as well as the historic Logan County Courthouse, the First Presbyterian Church, St. Anthony's Catholic Church and the Union Pacific Depot at Front and Main Streets.
